EXPORT REQUIREMENTS FOR NEW CALEDONIA

ELIGIBLE/INELIGIBLE PRODUCT

Eligible product--Red meat and poultry.

DOCUMENTATION REQUIREMENTS

- A. Certification Requirement Obtain: FSIS Form 9060-5--Certificate of Wholesomeness. FSIS Form 9365-1--Health and Sanitary Certificate relating to animal or animal origin foodstuffs sent to New Caledonia.
- B. Poultry product. A letter of assurance is required from the grower, assuring that poultry originating from flocks grown under his/her management were produced in an area free of New Castle Disease for more than 40 days. This letter of assurance is necessary for our inspectors to certify to Part IV.C. of FSIS Form 9365-1.

DECREE RELATING TO CONDITIONS OF IMPORT INTO NEW CALEDONIA OF PRODUCTS OF ANIMAL ORIGIN FROM ALL ORIGINS

Article 1-- On entry into the Territory of New Caledonia, foodstuffs made of animals or of animal origin, mentioned in Title II of Modified Deliberation No. 67 mentioned above, must be accompanied by a health and sanitary certificate in conformity with the model shown in the annexe to the present decree.

Article 2-- The certificate mentioned in Article 1 of the present decree must:

- be issued by a competent official authority in the country of origin,
- be at least written in French, or if not, be accompanied by a French translation done by a sworn (approved) translator,
- be presented in its original condition, all duplicate, photocopy or similar reproduction excluded, and in one sheet only,
- be dated, signed and issued the day of shipment of the goods to New Caledonia.

On arrival of the goods in the territory of New Caledonia, the certificates shall be given, before disembarkation of the parcels concerned, to an officer of the Veterinary and Agro-alimentary Products Quality Control Department, in charge of checking, and only to this person.

Article 3-- The certificates must compulsarily show the name, company name and full address of the person to whom the goods are being sent situated in the territory of New Caledonia.

Article 4-- Will be declared unreceivable, any certificate which is not totally in conformity with the conditions of the present decree, or showing omissions, cross-outs, additions or any modifications carried out with a criminal intention.

Article 5-- The Secretary General is responsible for the application of the present decree which will be enregistered and published in the territory's Government Gazette.

Noumea, July 8th, 1987

For the Government Delegate
High Commissioner of the Republic
